

Record 1/1 DE20110390U1 Transportbehälter mit Verschuß**Publication Number:** Order PDF DE20110390U1**Title:** Transportbehälter mit Verschuß**Title - DWPI:** Transportation container has seal of foil or metal and fitted on inner side of container by adhesive or by welding, and closes off container on all sides and separable from inner wall of container with no residual material**Abstract - DWPI:** The transportation container (1) has a seal (5) of foil or metal and is fitted on the inner side of the container by adhesive or by welding. The seal closes off the container on all sides, and can be separated from the inner wall (2) of the container with no residual material. The container is transport goods in fashion to ensure protection against contamination, theft, loss or other environmental influences. The flexible seal is environmentally friendly, resource-considerate, cost-effective and rational in its use. The drawing shows a sectioned representation of a device for fitting the flexible seal into the transportation container. 1container 2inner wall of container 5seal**Abstract:****Priority Number:** DE20110390U**Priority Date:** 2001-06-22**Application Number:** DE20110390U**Publication Kind Code:** U1**Application Date:** 2001-06-22**Publication Date:** 2002-12-05**Inventor - w/address:****Assignee/Applicant:** Zimmermann Jens, 15806 Zossen, DE, 1052618810DE**DWPI Class:** Q32 N | Q33 N | Q34 N**DWPI Manual Codes:****IPC Class Table:**
